CURRICULUM VITAE

MICHELLE VAN DER WESTHUIZEN

Introduction

I am a motivated and dedicated Junior Full Stack Developer who takes pride in delivering quality work and continuously improving my skills. I completed two Systems Development qualifications at CTU, where I had the opportunity to lead a student team in building a web application, which strengthened my teamwork and time management skills.

Currently, I am pursuing a Bachelor of Science in Information Technology (BSc IT) **degree part-time** at Richfield **while working as a Junior Full Stack Developer**. In my current role, I gain hands-on experience developing full-stack web applications using Angular, Spring Boot, and AWS.

I invite you to visit my personal [website](#) to learn more about me, view my projects, and see my certifications.
